

Pro Angler / Fishing Guide Endorsement

In consideration of an additional premium charged and the expressed conditions and warranties below, the PRIVATE PLEASURE WARRANTY in this policy is deleted and the Insured has permission to use the watercraft insured under this policy for commercial purposes as a professional angler and/or fishing guide, subject to the following:

1. The sum of \$100.00 shall be deducted from any covered MEDICAL PAYMENTS, COVERAGE "C" of this Policy, claim for a loss occurring while the insured watercraft is being used for commercial purposes as a professional angler and/or as a fishing guide;
2. Warranted that the Insured must not carry more than the watercraft manufacturer's recommended maximum number of passengers on board at any one time; and
3. Warranted that the watercraft must always be under the control of the Insured.

If either Warranty "2" or "3" above is violated, the policy to which this endorsement is attached automatically becomes "null and void" during the period of violation.
